

**WEST VIRGINIA WATER DEVELOPMENT AUTHORITY
ECONOMIC ENHANCEMENT GRANT FUND**

PLEASE REVIEW PRIOR TO COMPLETING THE APPLICATION

- Project Sponsor must be either a governmental agency or a not-for-profit organization.
- The Project must be a “project” or “infrastructure project” under WV Code 31-15A-2, including (by way of example only) a project for either a water system, a wastewater/sewer system, stormwater system or an economic development type project.
- The Project Sponsor must be eligible to receive a State grant under WV Code 12-4-14.
- The Project Sponsor must be able to provide annual audits.
- The Project Sponsor must maximize all other funding sources.
- All water, wastewater/sewer and stormwater projects must have a recommendation from the West Virginia Infrastructure and Jobs Development Council.
- All infrastructure projects (economic development) must have a written recommendation from either the Secretary of Commerce, Economic Development or Tourism.
- The Project must be bid using the requirements of the most stringent funding source.
- BABA and AIS are not required unless required by another Project funding source.
- Must have PSC approval, if required.
